

16 Robson St, Nelly Bay

Peaceful location close to the ferry

This neat easy-maintenance block home is located at the end of a lovely tree lined no-through road, yet is just one block to the marina, shops, cafes, restaurants and transport, making it an easy commute whether you want to go to Townsville for work daily or have a weekender on the island from the mainland.

With side access to the backyard, there's room for boats, campervans, etc, plus room for a pool and a great yard for kids to play footy or for pets. There's a good privacy green screen at the front of the property and the front patio has a lovely outlook.

There's lots of light-filled living space with louvres, windows and doors allowing the cross-breezes through perfectly. There's so much space, there is the opportunity to add a partition wall across the back of the lounge area to create a third bedroom or office if desired. Both bedrooms and the living area have split system air-conditioners.

An ideal first home, rental investment property or weekender, properties so close to the ferry are sought-after and this one likely won't last long on the market so contact Alex to arrange a private inspection by appointment.
