Ticks all the boxes

This home has been recently renovated and extended into a peaceful oasis, and ticks so many boxes:

Set well back from the street on a 1012m2 block, it is a private sanctuary, yet centrally located and handy to the ferry terminal, shops, cafes etc.

Fully fenced pet & child friendly garden with electric gate, concrete driveway and undercover parking for three vehicles plus room for lots more.

Inground pool with inbuilt spa seat which can be heated or cooled for year-round swimming. Solar panels keep the power bills down.

Therapeutic spa and Balinese cabana complete the pool area to make it into your private oasis where you can while away the day or night.

Workshop with power and chook-house large enough to feed all the neighbours or re-purpose some of it to grow veggies safe from the birds.

Bore water available for the avid gardener although the current owner keeps a beautiful garden on town water alone with irrigation throughout.

Selection of fruit trees - superb mangos, lychee, lemon, lime, fig,
