The best off-grid lifestyle in Australia

This stunning 2 bedroom beach house offers views of the Coral Sea from every vantage point. Relax in your hammock on the cool verandah that wraps around the home providing a cosy sunlight breakfast area, room to relax and outdoor dining and luxuriating that is easy to enjoy.

The views across the bay provide for a sunset aspect that is out of this world, later revealing the twinkling lights of Townsville and Bushland Beach. This is a picture that may otherwise only be dreamt about.

You can enjoy this home with what nature provided, it is eco-friendly and fully self-sufficient with abundant off grid solar power with maximum capacity to suit the energy requirements of this open plan home. There is plenty of water housed in the four water tanks provided. The house is so efficient, there are no electricity or water bills and low rates making for very low cost living.

Eight kilometres from Townsville or approx 20 minutes on the ferry, this property is set on a sandy allotment of 1012m² (1/4 acre) of freehold land and is ready to move right in and start living the life. Everything is included; furniture, TV, fridge, microwave, washing machine, linen, crockery, cutlery, gas oven, ceiling fans, screens, outdoor setting, deck chairs, it even comes complete with fishing rods.

There is a great shed on a concrete slab to house your car, boat, bikes, kayak and all your toys. There is a second lockable shed to store your smaller and more precious tools and equipment.
