

Grab this big block before it's gone!

This 4003m² block is one of a handful of large blocks available on Magnetic Island and whilst it does have a beautiful protected vegetation section to the rear of the block, it doesn't have the onerous restrictions on it that many of the other blocks do - and it is priced to sell.

With more than half an acre of clear flat land easily accessible at the front of the block and ready to build on, you will have plenty of room for your dream home, pool, shed and more!

Superb mountain views surround you on three sides and it should be easy to capture both the south-easterly and northerly breezes.

Just approx 750m walk to the beach, you will love living in this peaceful location, with the convenience of being close to the beach and just a ten minute drive to the ferry.
