Waterfront Townhouse at 'Beachside'

Rarely do these popular properties in the Magnetic Island Marina come on the market so this is an opportunity not to be missed.

On entering the townhouse the open-plan living room flows through to the dining area, kitchen and out to the large covered balcony giving a lovely open feel. The modern kitchen features granite benchtops and plenty of cupboard and bench space and is designed to cater for indoor or outdoor entertaining. This level also has a large lockable store-cupboard, laundry and convenient toilet with handbasin.

Upstairs, the spacious master bedroom opens onto a balcony with views over the marina and Coral Sea, and has a large walk-in wardrobe and ensuite bathroom with a luxurious spa bath, shower and his-and-hers vanities.

There is plenty of room for everyone with two further bedrooms, both with built-in-wardrobes and inter-connecting removable wall. The main bathroom features a bath tub, separate shower and vanity.

The property is fully air-conditioned with ceiling fans throughout to keep everyone comfortable whatever the weather.

The complex of just twenty units has a large swimming pool and overlooks the Magnetic Marina, handy to the ferry terminal, transport, shops & restaurants, making them ideal to live in or let out, either as a holiday or permanent rental.
