Absolute Oceanfront

This absolute oceanfront apartment will have you saying 'wow!' the moment you step through the front door. Your eyes will be drawn to the deep blue waters throughout the open-plan living/dining/kitchen which flows out onto a covered balcony where you can sit to watch the ships sail by as you sip a cold drink.

The master bedroom also boasts stunning water views - you can even enjoy the view from the ensuite bath and shower!

The second and third bedrooms are both generous in size with built-in wardrobes for each. Ducted air-conditioning keeps the apartment cool, although you'll rarely need it as the apartment captures the prevailing south-easterly perfectly.

Offered furnished, you can walk into this apartment and just relax with little to do except decide what to do tomorrow - a spot of fishing, horseriding or enjoying the breathtaking scenery on a bushwalk through the National Park to one of the island's hidden idyllic beaches.

Located in a resort-style complex just steps from the ferry, transport & shops, the complex offers four swimming pools (two are solar-heated in winter), a small gym, undercover parking and lift access to the apartment.

Please call ahead to arrange a private inspection by appointment.
